Medium of Instruction

Chinese : Cantonese/Putonghua

English : English

Others : Other languages/Courses that cannot be classified (“Courses that cannot be classified” means none of the languages constitutes more than 50% of the responses received for an evaluation of the course, e.g. none of the languages was selected as the primary spoken language used in class for 6 or more of a total of 10 Course and Teaching Evaluation (CTE) questionnaires received for an evaluation of the course.)

Notes:

1. The summary statistics of medium of instruction are based on the data collected from CTE questionnaires for 2013-14.
2. Faculties of Arts, Education and Social Science (This category also includes Inter-Faculty courses, and courses offered by Colleges, Office of University General Education, Centre for China Studies and Office of Academic Links)
